Although he has been directing the play here for the past nine years, this week marks Milton Stiefel's second appearance as an actor in one of his shows. Last year he was seen in "The Queen's Husband." . . . Edward Nannary, playing Gregory Wagner, has just returned from a forty-week coast-to-coast tour with one of the George Abbott "Room Service" companies . . . Barry Mahool, as Gribble, is repeating the role he played in this show at Saratoga week before last . . . Producer-Author Marc Connelly was in the audience one night last week . . . And Charles Harris, of the George Abbott Office is coming this week to see how we do things at Ivoryton . . . Elliot Duncan, the Saybrook photographer, turns actor in this show to play the part of Senator Blake . . . If you want to read the whole story about Ivoryton, its director and its actors, see last week's edition of the Deep River New Era. Copies are on sale at the box office . . . Next week will probably be the high spot of the season with lovely Elissa Landi of the films, coming to play the leading role in the world famous comedy, "The Warrior's Husband. All of your Ivoryton favorites will be seen in the large cast.
